Charlotte's Web™ is the story of a spring pig named Wilbur who had little chance of seeing the snows of winter. You see, Wilbur was born the runt of the litter. Since this little pig was not able to fend for himself, he was given to a young girl named Fern by her father, Mr. Arable.

Raised on the Zuckerman farm, Wilbur comes to find out he is destined to become a holiday ham. Luckily, Wilbur's charming personality lands him the friendship of all the animals in Zuckerman's barn. One particular friend, Charlotte the spider, decides to try and save the little pig's life by letting everyone know he's "Some Pig."

This is Wilbur's grand adventure.

Mini-Games

Food Catch

Templeton is at the county fair and boy is he hungry! Luckily, fair-goers are clumsily dropping their food. Help Templeton snatch all the tasty treats by catching food items with his plate. Press +Control Pad Down to make an item fall faster. Unload his bounty at the feedbag before the time runs out by pressing the A Button next to the bag. Beware of the rotting green food items! A green food item takes all of your collected food away!

Snacktime for Templeton

Templeton is hungry again! Use the +Control Pad to select your starting point and press the A Button to select it. Use the +Control Pad to string together two or more of the same kind of food then press the A Button again to watch Templeton eat. You can string together groups of two or more of different kinds of food, too.

Bumper Cars

Move your car using the +Control Pad. Pick up rings to score points and win the game! Oh, and you'll see Power-Ups everywhere. Good Power-Ups can help you out, but the bad ones slow you down. Now, select your car and get ready to bump!

Wilbur

Wilbur comes into the barn a kind and naive pig. His youth allows him to observe the world through innocent eyes. His kindness and innocence allows him to make friends with the other animals, namely Charlotte and Templeton. Eventually, Wilbur wins the hearts of the other animals and brings the barn together as a family.

Charlotte

Despite her somewhat frightening appearance, Charlotte is a thoughtful, caring, and intelligent creature. She understands the natural order of the world around her and is devoted to helping keep Wilbur stay safe on the farm.

Templeton

Templeton is everything that you would come to expect from a rat. He is always hungry, self involved, and usually only looking out for himself. Although he is a "rat" through and through, like many of the animals in the barn, Wilbur helps him discover a more compassionate side to his character.

Hint!

Jump and pull ropes that are connected to pulleys to move obstacles out of Wilbur's way.

Fern

Fern is the kind farm girl who saves Wilbur at the beginning of the story. She is very sweet and prefers the company of the barnyard animals to that of her schoolmates. Fern loves Wilbur very much and is always there to take care of him when he needs her most.
