

WIZARD'S SPELL

Long ago two Wizards fought over the Power of the Land.

The Good Wizard, Isluider, was robbed of his Book of Spells.

It was said a scruffy slave had done this deed which left poor Isluider powerless.

Unable to put up any defence he was imprisoned in a magical world created by the Evil Wizard.

Isluider asks you to seek and retrieve his Book and as a payment he will give you as much treasure as you can carry.

To help you on your task Zod, a good friend of the Wizard will accompany you.
